

GIVE AND BE GRATEFUL

(By MSS Grade 2AM/TA and Mrs Ambrose –November 2014)

REFRAIN:

It's a season for kindness And loving And friendship above things

In giving and receiving We take part.

A time for caring And sharing And giving And living to be grateful

And generous of heart.

VERSE 1:

Thanks to friends and family who care for me each day

Who teach me things and keep me safe while I learn and play

You show me love and I'll show you how much you mean to me

By helping you and spending time just doing simple things.

(Repeat Refrain)

VERSE 2:

Thanks for all creation, planets, stars, and earth and sky

Water, trees, and animals and all the birds that fly

I'm happy just to be alive on this great lovely earth

I'll do my part to help protect these things of awesome worth.

(Repeat Refrain)

BRIDGE:

I may be young but I've got gifts and I'll show my gratitude

I'll make a difference In this world, for life, for me, for you!

(Repeat Refrain)
